SAVE OUR CHILDREN

Vote April 4th

**NEWARK'S SCHOOL
BOARD ELECTION**

STATEMENT OF INTENT

SAVE OUR CHILDREN !

The Newark Committee/Clergy for Better Public Schools is a newly formed organization of Parents, Educators, Ministers, and Community Based Organizations who are deeply concerned with the education of our children.

We believe that the children of our community can be educated according to the highest standards, but the current Board of Education has failed to meet its responsibilities to our children.

OUR CHILDREN DESERVE BETTER!

The SAVE OUR CHILDREN TEAM offers the moral leadership that our community needs in order to solve the problems in the public schools.

The SAVE OUR CHILDREN TEAM will fight to:

1. Educate our children and end corruption at the Board of Education;
2. Declare War against drugs and fight to establish a comprehensive program to eliminate drug abuse in our schools;
3. Create conditions to restore school discipline and learning;
4. Provide leadership for more resources and monitor their effective use;
5. Increase parent participation at all levels in the educational process of our children.
